

RUGRAW, LLC

15 August 2014

To: Underlying and Adjacent Property Owners and Other interested Parties
Subject: Notice pursuant to FERC Section 4.32 (a)(3) regarding Final License Application
Re: FERC Project No. 12496, Lassen Lodge Hydroelectric Project

Dear Ladies and Gentlemen:

Rugraw, LLC (Applicant) has submitted a Final License Application (FLA), for the proposed Lassen Lodge Hydroelectric Project, FERC Project No. 12496, in Tehama County, California as prepared by Tetra Tech consulting et al.

We are providing this notice in accordance with FERC Section 4.32 (a)(3).

Enclosed is Exhibit G, Map of the proposed Project Area along the South Fork Battle Creek including the Project Diversion Works, the Pipeline/Penstock, the Powerhouse, the Tailrace, the Substation, the Switchyard and approximately 12 miles of 60kV "Gen-tie" electrical transmission line. Please contact Applicant if you would like to request a larger scale version of Exhibit G, Map.

The contents of the entire license application can be found in the FERC e-library under FERC Project Number P-12496.

Rugraw, LLC (Applicant) contact information is as follows: Charles Kuffner, Managing Partner, Rugraw, LLC, P.O. Box 421, Tiburon, CA 94920, telephone number: 415-652-8553.

As always, please contact anyone on our Rugraw, LLC team, if you have any questions or comments.

Respectfully Submitted,

Charlie Kuffner
Managing Partner
