

Chapter 1

Revisions to Chapter 1, “Introduction, Organization, and Process”

No changes are presented in Chapter 1 of this document (the Draft Supplemental Environmental Impact Statement/Revised Environmental Impact Report [Draft SEIS/REIR]) because no comments were received that would change the text in such a way as to require recirculation for public comment. Chapter 1, which is being revised in response to public comments received on the Draft Environmental Impact Statement/Environmental Impact Report (Draft EIS/EIR) (Jones & Stokes 2003), will be presented in the Final Environmental Impact Statement/Environmental Impact Report (Final EIS/EIR).
